

**YOUR WORLD. YOUR CHANCE  
TO MAKE IT BETTER.**

Do you have a ***desire to help people***? If so, join AmeriCorps and ***make a difference*** in the lives of seniors and your community. The Alabama Department of Senior Services and 13 local Area Agencies on Aging offices are looking for people like you to help people with Medicare.

### PROJECT DETAILS:

The State Health Insurance Assistance Program (SHIP) provides free education, counseling, and information to people with Medicare about their health benefits.

SHIP has 13 AmeriCorps full-time and 12 half-time positions available.

The project begins October 1, 2010 and you must make a commitment of at least one year.

#### Hour Requirements:

Full-Time: 1,710 hours a year

Half-Time: 950 hours a year

As a member of the SHIP Team, you will have the opportunity to serve as a community advocate working with local experts who provide free health insurance counseling and assistance.

We ask that you have a desire to work with seniors, build new community partnerships, recruit volunteers, and have administrative and public speaking skills.
