

Is Your Family At Risk Of Losing Family Property?

If so, you will want to attend the upcoming Heir Property Workshop in Lauderdale County. Heir Property is land that is held in common by the descendants, heirs, of someone who has died without a will or whose estate was not offered for probate.

The Alabama Cooperative Extension System is holding a video conference so families can learn about the dangers of keeping land as property owned by many heirs. Participants will learn the steps they can take to protect themselves.

Mr. Craig Baab, an attorney with the Alabama Appleseed Center for Law and Justice in Montgomery, will present the information and answer questions during the video conference. There is no charge for this meeting but you must pre-register.

The video conference will be held on

Wednesday October 14, 2009 from 9:00 a.m. – noon at Lauderdale County Extension office, 802 Veterans Drive, Florence and the Franklin County Extension office, in the basement of the Franklin County Courthouse in Russellville.
